

# Christmas 2016

The beauty of our Church at Christmas time is magnificent, and cherished by all who attend the Christmas liturgies.

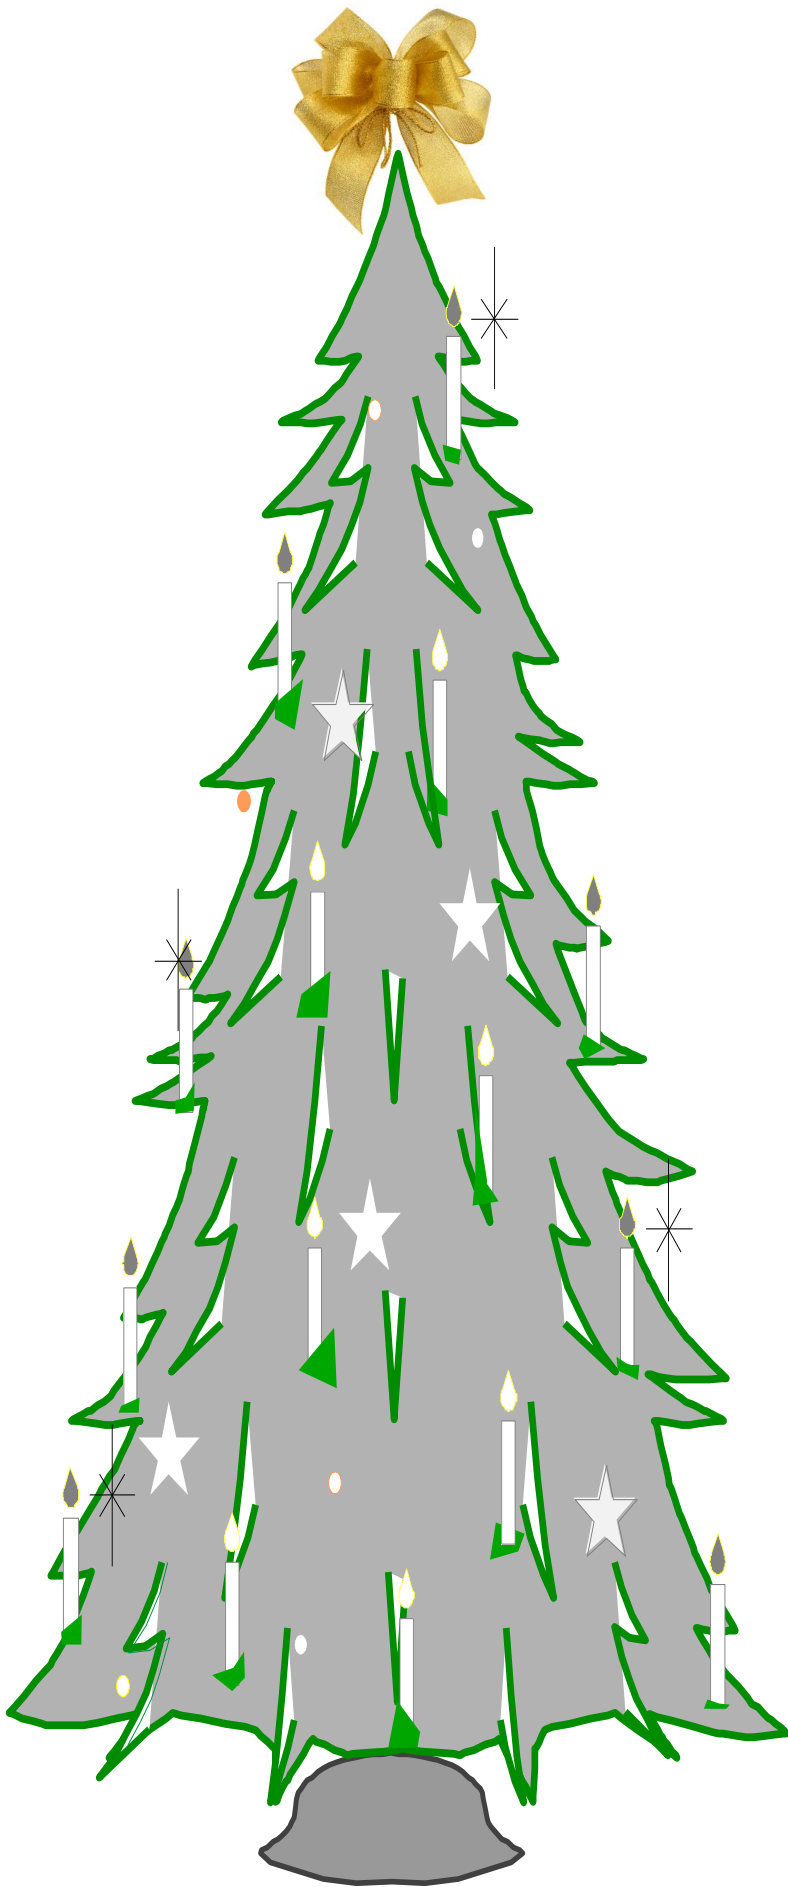

This is made possible through the generous donations of parishioners and friends who wish to remember their loved ones at Christmas.

Each bow adorning our Memorial Trees represents a Christmas wish for a special person. Thanks to each and everyone who has placed a bow. The large bow on the top of the middle tree is placed in memory of all who have gone before us in faith and who, through time or circumstance, have no one left to pray for them.

We have taken all possible care in the preparation of this list of names. With such great numbers, errors are sometimes unavoidable. We ask your patience and consideration. Any errors or omissions will be published Our Sunday Bulletin on January 7 & 8, 2017.

We would like to thank the members of our staff and all volunteers who assisted with the planning and execution of the decorating in our church.

We hope you enjoy our Church during this Christmas Season!!!
