

# Christmas 2008

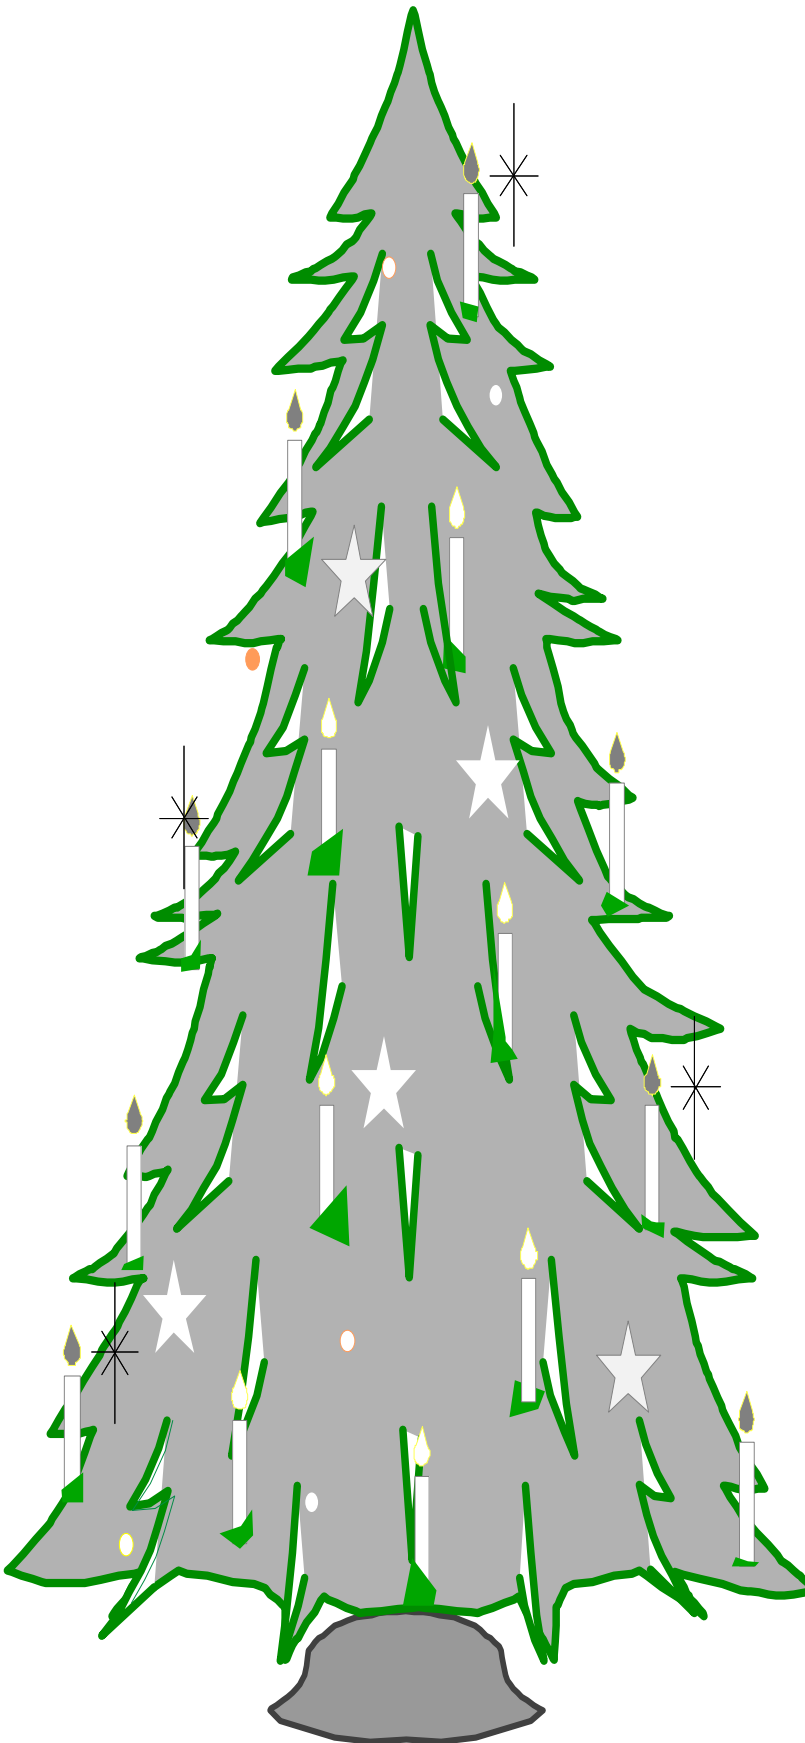

The beauty of our Churches at Christmas time is magnificent, and cherished by all who attend the Christmas liturgies.

This is made possible in part through the generous donations of parishioners and friends who wish to remember their loved ones at Christmas.

A memorial tree can be seen in each of our churches this Christmas. Each of the bows which adorn these trees represents a Christmas wish for a special person. Thanks to each and everyone who has placed a bow. We have taken all possible care in the preparation of this list of names. With such great numbers, errors are sometimes unavoidable. We ask your patience and consideration. Any errors or omissions will be printed in the Sunday Bulletin following New Year's.

We would like to thank the members of our staff and all volunteers who assisted with the planning and execution of the decorating in each of our churches.

We hope you enjoy our Churches during this Christmas Season!!!
